### Reasons for Allowance

All pending claims are allowed for the reasons presented in the office action of April 12, 2005.

With the exception of claims 23 and 24, the examiner had not reviewed these claims in the last office action and did not indicated that they were allowable. However, the limitation of claim 23 regarding the image storage sheet being a photoprint, was previously indicated as being allowed as a part of claim 2. The preamble being the same as that of claim 16.

Claim 24 is allowed here for the reason the prior art does not show the sheet "releasably fitted to the side of the platen cover."
